

Cynthia Dayton

Responsive, Capable Leadership

“I’ve listened and responded to the concerns of neighbors in this area – I’ll do the same for you.”

As a girl I walked Provo’s neighborhoods. I grew to love

many things about this area and still enjoy them today. Like many of you, I hope to ensure Provo’s future as a safe, happy place for our five children and their children to come home to.

This can best happen as our city government representatives listen to their constituents and respond in a balanced, timely way to the pressing issues that effect our quality of life – safety, traffic, taxes, zoning and planning. That’s why I’m walking your neighborhood today.

When I first became involved as a neighborhood chair I wondered if my efforts could make a difference. I found that by listening to the concerns and hopes of our people, confronting the tough issues, and maintaining a balanced approach we could – and did – have a significant positive impact on our community.

I’d like to have the chance to do the same for District 1. Together we can preserve Provo’s strong sense of community as a safe, friendly place moving toward a progressive, balanced future.

I would appreciate your vote in this election.

Cynthia Dayton

Cynthia Dayton Will Work With You On Key Community Issues

Neighborhoods

- Provide more council representation at the neighborhood level
- Enact policies that protect the rights of existing residents as well as those of speculators
- Re-vitalize downtown Provo and older neighborhoods

Traffic and Safety

- Examine road use for safety in our neighborhoods
- Utilize police and fire protection programs
- Consistent apply zoning ordinances

Fiscal Balance

- Maintain a responsible city budget
- Encourage utilization of current retail space to improve sales tax base

Long Range Vision

- Revise, improve and stick to a plan for Provo’s future
- Involve BYU more closely in Provo’s plans
- Work with Orem to resolve the UVSC housing issue
